March 2025

Dear Bloomington Water Company Stockholders,

At the Annual Shareholders meeting held this year on February 26, 2025, the board informed the attending shareholders that BWC had been approved for the \$1.2 million ARPA grant and \$365,000 Federal low-interest loan, payable 1% interest over 15 years, to purchase meters. Full minutes of this meeting may be found on the Bloomington Water Company website along with other pertinent information at → [www.bloomingtonwaterco.com](http://www.bloomingtonwaterco.com)) Bloomington Water Co., Inc. finished 2024 well under budget and is going to maintain the 2025 assessments at the 2024 rates, as follows:

- Class A shares (improved lots) will be \$242/share
- Class B shares (vacant lots with no water usage ~ we only have 13 left) will be \$121/share.
- Bloomington Hills service charge ~ \$242/share

**Shareholders may pay the full amount due by May 30<sup>th</sup>, 2025 or may utilize a payment plan of 3 payments due May 15<sup>th</sup>, June 30<sup>th</sup>, and July 30<sup>th</sup> with a service fee of \$10 per payment.**

Shareholders are encouraged to have their full assessment paid by the end of June to avoid late fees & termination of service.

**► Shareholders may also pay online starting this year. If you wish to receive your invoice online with options to also pay online, please email Frankye at the email: [frankye@bloomingtonwaterco.com](mailto:frankye@bloomingtonwaterco.com) stating your desire for this paperless method.**

**Water Outages.** We wish to make all shareholders aware that scheduled maintenance will be on Tuesdays of any given week when it may be necessary to shut off sections for repairs or replacements. Any other outages are by emergency only, but we welcome your calls to verify any outage to be sure it's been reported. Please use the following numbers to report a problem:

- Non-emergency questions: Frankye Pepito 435-669-4998-leave mssg.
- **After hours emergency: 435-703-1140 Irrigation ON-CALL tech**

**Be ready to give your name, address, telephone number, and nature of the emergency.**

As always, **CROSS CONNECTIONS OF ANY KIND ARE UNSAFE AND A HEALTH CODE VIOLATION**, even with backflow devices. Irrigation water is not potable, and contamination of culinary water is a serious matter. Please call the above-listed telephone numbers for a free inspection if you have concerns. We encourage you to check out the BWC website at [www.bloomingtonwaterco.com](http://www.bloomingtonwaterco.com).

Best regards,

Jeff Lance, President
